EXOTIC FIBER PROCESSING PRICE LIST APRIL 2022

All prices are on the FINISHED WEIGHT of your product and include all steps necessary to make the product from raw fibre. You can get your own natural colours processed; we do not offer dyeing of exotic fibres. If you do not have enough of your own fiber for a product, we are willing to exchange with you using our Wool Credit system provided we have the product available - please make arrangements ahead of time for this option.

**ROVING (ROPING)** - We will wash and card 100% llama or alpaca fiber into roving, or we can blend your fibre with fine wool to process into roving (we can provide the blending fibre). For best results, fiber length should be 2 inches to 4 inches. There is no minimum weight requirement for roving.

Wash and Card 100% Exotic Roving or Exotic/Wool Blend Roving \$ 18.00/ lb

**BATTING** - We will wash, card, and blend your fibre with down-wool into quilting batts or fine-wool into felting batts. For the best results, fiber length should not exceed 4 inches (10 cm). There is no minimum weight requirement for batting. Should you wish to have bedding made, please make arrangements ahead of time with us for current prices for down proof ticking outer fabric and sewing.

Wash and Card Exotic/Wool Blend Batt \$ 18.00/ lb

**YARNS**- We do not spin 100% exotic fiber. We make the following yarns that we can custom process with your fiber. For best results your fiber ought to be less than 4 inches (10 cm) in length. There is a minimum of 20 lbs clean blended weight per color and type of yarn requested. The blending fibre is provided by Custom Woolen Mills and included in the final cost of the product. Our fine wool is usually Rambouillet wool from Alberta or Saskatchewan. We classify yarn weights according to the Craft Yarn Council's Yarn Standard. We make the following yarns:

**1) Soft Spun Yarn** - 3 or 6 strands of Alpaca, llama, or mohair fiber blended with a minimum 30% fine wool. We recommend a grade 3 or 4 alpaca/llama fiber or kid mohair. *Medium* to *Bulky* weight yarn according to the standard, with a very soft handle - excellent for Icelandic style knitting or as the weft in blanket weaving.

Wash, Card, and Spin Soft Spun Yarn \$ 26.00/ lb

**2) Mule Spun Yarn** - Alpaca, llama, or mohair fiber blended with a minimum 30% fine wool. We recommend grade 2, 3, or 4 alpaca or llama or kid or young adult mohair. We can also process 50% buffalo / 50% fine wool or 60% quiviut / 40% fine wool. *Superfine*, *Light*, and *Medium* weight yarns according to the standard.
